## Come and study within an exchange program

You wish to come and study at the UPMF within an exchange program? Welcome!

[Download here the welcome guide for the UPMF exchange students.](#)

### Information

**The enrolment** and fees to be paid to the university of your country are compulsory. You remain a student in your university and come to the UPMF to follow classes and obtain enough credits to validate your degree in your country.

### Erasmus programs (Europe)

Go to the International Office of your university to check that there is a partnership with our university, then set up your application file.

### More about

[List of the UPMF Erasmus partner universities](#)

### Exchange programs in addition to Erasmus

The first administrative process and selection will go through the International Relations Service of your university.

Once your file is accepted by the UPMF, please contact [our service](#).

### More about

[See the list of the UPMF partner universities](#)

### Choice of syllabus

One of the key decisions when setting up your file will be to establish a list of the syllabuses you wish to follow during your stay in Grenoble.

### The UPMF offers you many possibilities

- [List of the syllabuses and explanation of the French university system](#)
- A class of [Introduction to cross-cultural communication \[PDF - 21Ko\]](#) in english will be available in september 2012.
- Program [GUEST](#)

### "French Foreign Language (Français Langue Etrangère) syllabus

All year: classes (which must be paid for) at the [University Center for French Studies](#).
