Admission/enrolment in Master

You wish to follow a Master degree in 1st year

Admission conditions

A Master 1 is not subject to a selective procedure, but there are admission conditions: degree required, training path, course groups studied, knowledge of a subject...

- [Check the conditions relative to the Master 1 chosen](#) (tab "Access").

To know about the admission and enrolment procedures, explain your situation:

- [Student enrolled in another higher-education institute](#)

You wish to follow a Master degree 2nd year

Masters 2 are not selective programs.
